4. AUTHORIZED AFFILIATES

- (a) **Contractual Relationship.** The Parties acknowledge and agree that, by entering into this DPA, you enter into this DPA on behalf of yourself and, as applicable, in the name and on behalf of your Authorized Affiliates, thereby establishing a separate DPA between Protech and each such Authorized Affiliate subject to the provisions of the MSA. Each Authorized Affiliate agrees to be bound by the obligations under this DPA and, to the extent applicable, the MSA. For the avoidance of doubt, an Authorized Affiliate is not and does not become a party to the Agreement and is only a party to the DPA. All access to and use of the Services by Authorized Affiliates must comply with the terms and conditions of this DPA and the MSA and any breach of the terms and conditions of this DPA or the MSA by an Authorized Affiliate will be deemed a breach by you.

If you are relying on "legitimate interest" under Article 6(1)(f) of the GDPR, you warrant that you have balanced your interests against the fundamental rights of the Data Subject and keep records of this process.
- (c) You agree that you will jointly and severally together with any other controller, indemnify and hold harmless Protech and its Indemnified Parties on demand from and against all Losses arising from any Third-Party Claim relating directly or indirectly from your breach of this Clause.

Protech may update this DPA at any time by posting an updated version online; provided, however, if there is any material update to how Protech plans to process your Personal Data under the Agreement, such changes will not take effect until 30 days following the posting of the updated terms. During such 30 day period, you have the opportunity to object to any such changes by notifying Protech in writing. The Parties may either execute a written amendment to this DPA implementing any agreed upon changes, or you may exercise your right to terminate the Agreement in accordance with the termination provisions thereof. Such termination will not constitute termination for breach of the Agreement. Protech will have a right to terminate the Agreement if you unreasonably object to any such changes.

8. TERM

On termination or expiration of the MSA, this DPA will survive and continue in full effect until Protech has returned, destroyed, and/or deleted all of Customer Personal Data.

If you object to Protech's use of a new Sub-processor, you must notify Protech in writing within 10 days after notification regarding such new Sub-processor. Your failure to object in writing within such time period will constitute approval to use the new Sub-processor. You acknowledge that the inability to use a particular new Sub-processor may result in delay in performing the Services, inability to perform the Services, and/or increased Fees for the Services. Protech will notify you in writing of any change to Services and/or Fees

that would result from Protech's inability to use a new Sub-processor to which you have objected. You may either execute a written amendment to the Agreement implementing such change or exercise your right to terminate the Agreement in accordance with the termination provisions thereof. Such termination will not constitute termination for breach of the Agreement.
